

# Everyday Glory

## Rush

In the house where nobody laughs  
And nobody sleeps  
In the house where love lies dying  
And the shadows creep  
A little girl hides shaking  
With her hands on her ears  
Pushing back the tears  
Till the pain disappears  
Mama says some ugly words  
Daddy pounds the wall  
They can fight about their little girl later  
Right now they don't care at all  
No matter what they say  
No matter what they say  
No matter what they say  
No matter what they say  
Everyday people, everyday shame  
Everyday promise shot down in flames  
Everyday sunrise, another everyday story  
Rise from the ashes and blaze with everyday glory  
Rise from the ashes and blaze in everyday glory  
In the city where nobody smiles  
And nobody dreams  
In the city where desperation  
Drives the bored to extremes  
Just one spark of decency  
  
Against a starless night  
One glow of hope and dignity  
A child can follow the light  
No matter what they say  
No matter what they say  
No matter what they say  
No matter what they say  
Everyday people, everyday shame  
Everyday promise shot down in flames  
Everyday sunrise, another everyday story  
Rise from the ashes and blaze with everyday glory  
Rise from the ashes and blaze in everyday glory

If the future's looking dark  
We're the ones who have to shine  
If there's no one in control  
We're the ones who draw the line  
Though we live in trying times  
We're the ones who have to try  
Though we know that time has wings  
We're the ones who have to fly  
No matter what they say  
No matter what they say  
No matter what they say  
Rise from the ashes  
No matter what they say  
And blaze in everyday glory
