Save Me (B-Side Version)

Alter Bridge

I live to hide, I'm weak and shrewd
I don't suppose you'd know
I've hidden behind these frigid eyes
They filter what I know
It burdens me, I'm never free
And peace I'll never know
I feel inside where nothing lies
And nothing left to showSo save me
I don't know, know myself
And I've been on this side alone
What's beyond it?It comes from below the man I know
That lives inside of me
I live inside this blackened mind
It sums up what I see
I've found at last, my cruel past
Has found the end in me
I reach inside, just one more time
For the man I'll never beSo save me
I don't know, know myself
And I've been on this side alone
What's beyond it?
So crawl inside
I reach for a sign, how I need it
To gain what's mine
To gather control, how I lost itWhen will it end?
When will it end?
When will it end?
When will it end?Save me
I don't know, know myself
And I've been on this side alone
What's beyond it?
So crawl inside
I reach for a sign, how I need it
To gain what's mine
To gather control, how I lost it
