The Final Slowdance (Acoustic)

MxPx

You're takin' all the space up in my head
With all the things that we could do and
All the things that could be said
It's hard for me to try and understand
The way I feel about you and the way it
Made me feel to hold your handAm I runnin' out of time or am I at the starting line?
I know I missed the mark
Yet I just need some sort of sign
My words don't come out easily
So I will tell you honestly
No one wants to spend eternity aloneYou're takin' all the space up in my head
With all the things that we could do and
All the things that could be said
It's hard for me to try and understand
The way I feel about you and the way it
Made me feel to hold your handAm I runnin' out of time or am I at the starting line?
I know I missed the mark
Yet I just need some sort of sign
My words don't come out easily
So I will tell you honestly
No one wants to spend eternity alone
