

Don't Lose It

Owlle

We rise, we fall, we weep
But when love's walking down my street
I know that soundI just forget my war
And whisper to you through the door
Keep me, that's allBut I tell you I don't want to lose it
I tell you I don't want to prove it
Let's start with zeroBut I tell you I don't want to lose it
I tell you I don't want to prove it
Let's start with zeroOne day I'll find my pace
Give up the past and its mistakes
Boy, all by myselfI like playing with joy
But when the dark becomes my home
I lose my soulBut I tell you I don't want to lose it
I tell you I don't want to prove it
Let's start with zeroBut I tell you I don't want to lose it
I tell you I don't want to prove it
Let's start with zeroForget the rest
I will keep the best
I start with you
I start for youTell me slowly
You'll invent me
All things can be
Make me believe in homeBut I tell you I don't want to lose it
I tell you I don't want to prove it
Let's start with zeroBut I tell you I don't want to lose it
I'll tell you I don't want to lose it
I'll tell you I don't want to prove it
Let's start with zeroBut I tell you I don't want to lose it
Let's start with zero
