Kevin Lyttle

Ohhh, heeyy nooo, baby you don't know. Ooohh baby you don't know
Oh yooouuuuuuuu make me feel mmmmmmm
Man you gotta love it
Get butterflies when I think of it
Girl your lovin like a race
I'ma keep runnin'
You got a kiss that's so wet
I'm wanna drink from it (can I drink from it?)
Man I wanna dub it
And hit rewind everytime It's on my mind cuz I, I cant seem to get You off my mind and im
In love ever scince the first time I, saw yoouuu
It was ya lips that made me want ya(more)
It was ya kiss that made me need ya(more)
It was ya kiss that got me on ya
It was ya kiss
It was ya kiss(no lie girl)
It was ya lips that made me want ya(more)
It was ya kiss that made me need ya(more)
It was ya kiss that got me on ya
It was ya kiss
It was ya kiss(no lie girl)
Girl you know I love ya
You gotta body so hot
Don't wanna touch ya
Got my temperature rising
About to burn up
If it's so crazy in love
This girls is crazy (girl is crazy)
I just wanna feel it(feel it)
Like waves on the beach
We ridin jet skis
Girl the way that I feel when you next to me
Hard to explain girl
A special kind of chemistry
That I feel when I'm with yoouuu
It was ya lips that made me want ya(more)
It was ya kiss that made me need ya(more)
It was ya kiss that got me on ya
It was ya kiss

It was ya kiss(no lie girl)
It was ya lips that made me want ya(more)
It was ya kiss that made me need ya(more)
It was ya kiss that got me on ya
It was ya kiss
It was ya kiss(no lie girl)
It was ya lips that made me want ya(more)
It was ya kiss that made me need ya(more)
It was ya kiss that got me on ya
It was ya kiss
It was ya kiss(no lie girl)
It was ya lips that made me want ya(more)
It was ya kiss that made me need ya(more)
It was ya kiss that got me on ya
It was ya kiss
It was ya kiss(no lie girl)
You got the kinda kiss that make me never wanna mess around (never wanna mess around)
You got the kinda thang that make me wanna love you down(make me wanna love you down)
If I ever get a wish
I only wish that theres you and I(that it's you and I)
I would never tell you no lie(never tell a lie)
It's all I need to get by
Your kiss
It was ya lips that made me want ya(more)
It was ya kiss that made me need ya(more)
It was ya kiss that got me on ya
It was ya kiss
It was ya kiss(no lie girl)
It was ya lips that made me want ya(more)
It was ya kiss that made me need ya(more)
It was ya kiss that got me on ya
It was ya kiss
It was ya kiss(no lie girl)
You got the kinda kiss that make me never wanna mess around
It was ya kiss
It was ya kiss
It was ya kiss
It was ya kiss
It was ya kiss
