

# Already Done (feat. Jonathan McReynolds)

## Israel & New Breed

May the peace of God calm your heart and your mind  
Through the tears and the trials  
The heartache of this life  
And when you can't hold on, know He holds you still  
He will keep you, never leave you  
He promised that He will  
Tis so sweet to trust in Jesus  
Just to take Him at His Word  
Just to rest upon His promise  
Just to know that if He said it  
It's already done  
May the grace of God overshadow you  
Through the chaos, through the failures  
The fire you're walking through  
And when you can't hold on, know He holds you still  
He will keep you, never leave you  
He promised that He will  
His love endures, His Word is sure  
Stand upon His promise, stand upon His promise  
Already done, this war is won  
Stand upon His promise, stand upon His promise
