

Miss Narcissist

Courtney Love

[Verse 1]

Miss Narcissist, come on
Magnificent and obvious
Bless us with your presence
And your paranoia
Miss Narcissist, she's the thief
Sucks out all the energy
Stole all my heart's fertility like a parasite
And all she believes in[Chorus]

Me, me, me

No apologies

In the end

Miss Narcissist, it's us versus them

Ohh[Verse 2]

Princess, what do you need?
Stretch marks on your arteries
Scars on your malignancy
Come on, come on
Self-obsessed, but weak
Don't come crawling to me
We'll throw your toxic trash out on the street[Pre-Chorus]

Just say[Chorus 2]

Me, me, me

No apologies

In the end

Miss Narcissist, it's us versus them

Ohh

Versus them

Ohh[Bridge]

Come on, come on

Come on, come on

Come on, come on

Come on, come on[Chorus 2]
