

I Believe In You (je Crois En Toi)

Il Divo

Lonely
The path you have chosen
A restless road
No turning back
One day you
Will find your light again
Don't you know
Don't let go
Be strong

Follow your heart
Let your love lead through the darkness
Back to a place you once knew
I believe, I believe, I believe
In you

Follow your dreams
Be yourself, an angel of kindness
There's nothing that you can not do
I believe, I believe, I believe
In you.

Tout seul
Tu t'en iras tout seul
Coeur ouvert
A l'univers
Poursuis ta quÃªte
Sans regarder derriÃ¨re
N'attends pas
Que le jour
Se lÃ¨ve

Suis ton Ã©toile
Va jusqu'oÃ¹ ton rÃªve t'emporte
Un jour tu le toucheras
Si tu crois, si tu crois, si tu crois
En toi
Suis la lumiÃ¨re
N'Ã©teins pas la flamme que tu portes
Au fond de toi souviens-toi

Que je crois, que je crois, que je crois
En toi

Someday I'll find you
Someday you'll find me too
And when I hold you close
I'll know that is true

Follow your heart
Let your love lead through the darkness
Back to a place you once knew
I believe, I believe, I believe in you

Follow your dreams
Be yourself, an angel of kindness
There's nothing that you can not do
I believe, I believe, I believe
In you.

google translation:

All alone You from will go away all alone Open heart With the universe Continue your search Without looking
at behind Do not wait That the day Rises Am your star Goes until where your dream carries you One day you
will touch it If you believe, if you believe, if you believe In you Am the light Do not extinguish the flame which
you carry At the bottom of remember That I believe, that I believe, that I believe In you
