

# Superhero (Remix)

Chingy

I can be your superhero baby  
The one that's going to save you if you're in danger  
You know who to call whenever you fall  
I'll be there to catch you and come to your rescue.(That's right look)  
It's a bird it's a plan no baby it's Chingy  
You know I'm right here girl holla when you need me  
When life gets tough I can make it look easy.  
We can do the stuff that you see on TV  
Superman be my Lois Lane  
I'll be your Tarzan you can be my Jane  
I'll make the sun shine when it's trying to rain  
I can easy your stress take away your pain ugh.  
I ain't trippin' off the next man  
Baby I'm a beast but I ain't tryin' be your X-man  
Number one ain't going to be nothing less than  
No bettin but I'm ev'rybody' best man.  
Baby come and take a ride with me  
To the getaway come hide with me  
Baby take my hand come fly with me  
Baby girl let me show you what I can be yeah I can be your superhero baby  
The one that's going to save you if you're in danger  
You know who to call whenever you fall  
I'll be there to catch you and come to your rescue.Let me be your superhero baby  
Let me be your superhero baby  
Let me be your superhero baby  
I can be yours  
I can be yours  
(Look)  
Bruce Wane money we can hit the town  
G5 jet we can hit the clouds  
Do I make sure your safe when I'm around?  
If you slip don't trip you won't hit the ground ugh.  
'Cause I won't let you I'll be right there baby girl I catch you  
No sweat don't worry or fret boo  
I'm make sure that it never come get you.  
Yeah 'cause I'm not that man  
heat to your boy I can show you where it's at and  
I can do it I can do it no sweat yeah  
Dealing with the villains baby Imma be your batman.Baby come and take a ride with me

To the getaway come hide with me  
Baby take my hand come fly with me  
Baby girl let me show you what I can be ugh. The one that's going to save you if you're in danger  
You know who to call whenever you fall  
I'll be there to catch you and come to your rescue. Let me be your superhero baby  
Let me be your superhero baby  
Let me be your superhero baby  
I can be yours  
I can be yours Baby I'll come save you (save you) when the trouble comes  
There's nothing I can't do (can't do) when the time comes Baby I'll come save you (save you) when the trouble  
comes  
There's nothing I can't do (can't do) when the time comes Baby I'll come save you (save you) when the trouble  
comes  
There's nothing I can't do (can't do) when the time comes Baby I'll come save you (save you) when the trouble  
comes  
There's nothing I can't do (can't do) when the time comes I can be your superhero baby  
The one that's going to save you if you're in danger  
You know who to call whenever you fall  
I'll be there to catch you and come to your rescue.
