## Zwicker

Strange ways  
Strange  
Strange  
I was born into confusion  
My mother said to me  
?When you become a man you'll understand?  
But it's still a mystery  
And if you want to get ahead  
Get some decent clothes  
The only way to make it  
Dress the part that gets right up my nose  
And I think to myself in this river of doubt  
This is somethin' I can do without  
But, strange ways is what I got  
(Strange ways)  
The Indians are coming  
I saw it on TV  
They're twenty thousand strong  
But they always get depleted by the cavalry  
Salvation is at hand  
It's guaranteed  
Just send a donation straight to God

One eight hundred, toll free  
And I think to myself in this academy of fear  
Where am I going, what am I doing here?  
But strange ways is all I got  
(Strange ways)  
Aaa, aaa  
Aaa, aaa  
Aaa, aaa  
Have you seen the headlines?  
(Princess engaged)  
Three million out of work  
But that's on the second page  
The alien has landed  
Finger in his ear  
Can't hear a word I am saying  
But that ain't such a bad idea

And I think to myself in this cradle of lust  
Ashes to ashes and dust to dust  
But strange ways is all you get  
(Strange ways)
