

# Wake Up

## Girlicious

Should've said goodbye, every time that I cry  
I just couldn't find my way to the door  
Should've realized, not pretend that I'm lying  
When I knew it wasn't working no more I use to think without you, there was no me  
Suffocate myself to the point I can't breathe  
Caught up in your trap, wishing I can just leave  
So I'm gonna let go, just a bad dream Shut it down, wake up  
This time admit it, I found me  
I'll see how you'll do without me  
Breaking out your prison and now I'm free, I'm free You ain't gonna hold me down, you ain't gonna hold me  
down  
You ain't gonna hold me down anymore  
You ain't gonna hold me down, you ain't gonna hold me down  
You ain't gonna hold me down anymore Always at your side every time we collide  
Gotta surrender the war  
Cause I was on your side, you and I, do or die  
But I can't take anymore I use to think without you, there was no me  
Suffocate myself to the point I can't breathe  
Caught up in your trap, wishing I can just leave  
So I'm gonna let go, just a bad dream Shut it down, wake up  
This time admit it, I found me  
I'll see how you'll do without me  
Breaking out your prison and now I'm free, I'm free You ain't gonna hold me down, you ain't gonna hold me  
down  
You ain't gonna hold me down anymore  
You ain't gonna hold me down, you ain't gonna hold me down  
You ain't gonna hold me down anymore I was scared of letting go, but I can't this no more  
And now I finally know I'm better on my own  
This ain't what love supposed to be Shut it down, wake up  
This time admit it, I found me  
I'll see how you'll do without me  
Breaking out your prison and now I'm free, I'm free You ain't gonna hold me down, you ain't gonna hold me  
down  
You ain't gonna hold me down anymore  
You ain't gonna hold me down, you ain't gonna hold me down  
You ain't gonna hold me down anymore You ain't gonna hold me down, you ain't gonna hold me down  
You ain't gonna hold me down anymore
