Wake Up

Girlicious

Should've said goodbye, every time that I cry

I just couldn't find my way to the door

Should've realized, not pretend that I'm lying

When I knew it wasn't working no moreI use to think without you, there was no me

Suffocate myself to the point I can't breathe

Caught up in your trap, wishing I can just leave

So I'm gonna let go, just a bad dreamShut it down, wake up

This time admit it, I found me

I'll see how you'll do without me

Breaking out your prison and now I'm free, I'm freeYou ain't gonna hold me down, you ain't gonna hold me down

You ain't gonna hold me down anymore

You ain't gonna hold me down, you ain't gonna hold me down

You ain't gonna hold me down anymoreAlways at your side every time we collide

Gotta surrender the war

Cause I was on your side, you and I, do or die

But I can't take anymoreI use to think without you, there was no me

Suffocate myself to the point I can't breathe

Caught up in your trap, wishing I can just leave

So I'm gonna let go, just a bad dreamShut it down, wake up

This time admit it, I found me

I'll see how you'll do without me

Breaking out your prison and now I'm free, I'm freeYou ain't gonna hold me down, you ain't gonna hold me down

You ain't gonna hold me down anymore

You ain't gonna hold me down, you ain't gonna hold me down

You ain't gonna hold me down anymore I was scared of letting go, but I can't this no more

And now I finally know I'm better on my own

This ain't what love supposed to be Shut it down, wake up

This time admit it, I found me

I'll see how you'll do without me

Breaking out your prison and now I'm free, I'm freeYou ain't gonna hold me down, you ain't gonna hold me down

You ain't gonna hold me down anymore

You ain't gonna hold me down, you ain't gonna hold me down

You ain't gonna hold me down anymoreYou ain't gonna hold me down, you ain't gonna hold me down You ain't gonna hold me down anymore
