Cosmic Journey

Solange

(Solange)
Won't you move closer than close
Can bring you to me
Let your skin be the only warmth I feel
Can we lay in this space until forever?
Till the moments around us all are still
And tell me where do we go?
On this winding, traveling open road
(Bilal)
To the hills where the love people go
Far in the night you and I don't look back you will find me

Cosmic Journey
And I love you I swear
Cosmic Journey
And I love you I swear

(Solange)
Won't you go deeper than deep can dig you to me
Make the words roll over your tongue to mine
As I probably kiss you better than I'll tell you
And the way that you touch feel so sublime

(Bilal)
Be all mine
And discover you in as you will find
Far into the night you and I don't look back and you'll find me

Cosmic Journey
And I love you I swear

Cosmic Journey
And I love you I swear
Cosmic Journey
And I love you I swear
Cosmic Journey
And I love you I swear

And I love you I swear
Cosmic Journey

And I love you I swear

Let's go (Let's Go)
Let's go
Let's go (Let's Go)
(Solange and Bilal)
To the Open, In The Open, To The Open
(Solange)
I wanna go High, So High, High, And I Wanna Go So High
I said I wanna go High, So High,So High, So High

I said I wanna go High,(Let's Go) High,
I Wanna Go High, I said I wanna go High
High, I wanna go High, So High, High
High, I wanna Go High, So High, High
CAN WE GOOOOOOOOOOOOOOOO
