

Open Wide (Future Of Forestry EP Version)

Future of Forestry

You have walked so deep a canyon, deep a canyon now
And in the end, you know that you've been found, you're found
Heaven sure fell hard upon you, hard upon you now
And in the end, you know that you've been found, you're foundOh, oh, you belong now
Oh, oh, you are freeSo open wide, the arms you're given
You're too alive to just stand still
Open wide, your heart as you breathe in
You're too alive to just stand hereYou wondered how your searching heart
Your searching heart would roam
You're coming to the place that you call home, your homeOh, oh, you belong now
Oh, oh, you are freeSo open wide, the arms you're given
You're too alive to just stand still
Open wide, your heart as you breathe in
You're too alive to just stand hereOoh, yeah, you take it all
[Incomprehensible]
[Incomprehensible]So open wide, the arms you're given
You're too alive to just stand still
Open wide, your heart as you breathe in
You're too alive to just stand here
Open wide, the arms you're given
You're too alive to just stand here
