

# I Dunno

Linda Lewis

Here's my love, all my love, all my love, all my love  
And if you're kind, boy  
I'm gonna give you all the loving and joy  
I'm gonna give you all the loving and joy  
I'm gonna give you all my love

Tenderly, tenderly, tenderly, tenderly  
And we can prove it  
Keep it in fit and baby, we can prove it  
Keep it in fit and baby, we can prove it  
Then we can make ourselves at home

Mmm, Love begins when everything looks good when you're together  
But it has a trick, oh yeah, it changes like the weather  
It may not last forever and know that you feel it

All my love, all my love, all my love, all my love  
And if you're kind, boy  
I'm gonna give you all the loving and joy  
I'm gonna give you all the loving and joy  
I'm gonna give you all my love

Mmm, love begins when everything looks good when we're together  
But it has a trick, oh yeah, it changes like the weather  
It may not last forever and know that you feel it

Here's my plea, listen please  
Take my hand and comfort me  
And if you're kind, boy  
I'm gonna give you all the loving and joy  
I'm gonna give you all the loving and joy  
I'm gonna give you all my love

All, all my love, all my love, all my love  
And if you're kind, boy  
I'm gonna give you all the loving and joy  
I'm gonna give you, give you, give you all my love

Oh, oh, oh-oh-oh-oh  
Oh-oh-oh, ohhhhhh, oh

And if you're kind, boy  
I'm gonna give you all the loving and joy  
I'm gonna give you all the loving and joy  
I'm gonna give you all my love, whoo
