

# My Romance

John Trones

My romance, doesn't need to have a moon in the sky  
My romance, doesn't need a blue lagoon standing by  
    No month of May, no twinkling stars  
    No hideaway, no soft guitar  
My romance doesn't need a castle rising in Spain  
    Or a dance to a constantly surprising refrain  
All at once I can make my most fantastic dreams come true  
    My romance, doesn't need a thing but you  
My romance doesn't need a castle rising in Spain  
    Or a dance to a constantly surprising refrain  
And wide awake, I can make my most fantastic dreams come true  
    My romance, doesn't need a thing but you, but you
