Them choopas start spraying you thought I was playing

Coldhearted call shots
She get niggas knocked out for the block
You know that she with it too
I'm bout the bankrolls

Stay true to yo niggas I'm telling you
(Chorus)

I fuck up a check when I want too

Them choopas start spraying you thought I was playing
My niggas gone shoot if I tell them too
Coldhearted call shots
She get niggas knocked out for the block
You know that she with it too
I'm bout the bankrolls
I'm never gone fold
Stay true to yo niggas I'm telling you

We fuck up a check no lie ,no flex
Stay ringing bells in the city

Yo nigga know I am the trillest
Don't talk about it , just know that I'm with it
Got AK's, extendo, just spent with my bankroll
I told yo lil bitch I don't play bout that bankroll
We keep taking nigga off for they lil bankroll
You know that we Savage's
Ain't nothing about it lil nigga we ain't having that
We back on that fuck shit nigga

(Chorus)

(Verse 2)

These bitches thought I was gone fold
These bitches thought I wouldn't make it

I really ain't having no choice
My bitches yea they is some takers
I hang with a bunch of dope dealers and killers
They care less bout meeting they maker
Go 730 on a hater
These niggas mad cuz man they crazy
These bitches mad cuz man they crazy
Can't get my number unless you paying
I know that sounded really crazy
Time is money that would paze me
Yea time is money I'm inpatient
I fuck a check when I want to x2
