

Soul Shakedown Party (Steve Hurley Remix)

Bob Marley

We gonna have a soul shakedown party tonight!
We gonna have a soul shakedown party tonight!
The way you love-a me, huh! It's all right!
When you put your loving arms around me,
And you hold me tight, hold me tight This is my invitation
I got the special vacation
I need your concentration
Just to feel your vibration
At that soul shakedown party
We gonna have a soul shakedown party tonight! Jane is in the back yard
Doing the outside dance
I'm telling you the other day,
She didn't even get a chance! But this is my invitation
A just-a special vacation
I need your concentration
Just to - just to - just to (vibration) just to
(Soul shakedown party tonight) Baby, I need you tonight!
We gonna have a soul shakedown party tonight! Hit it, brother, y'all! The way you love-a me, it's all right! (It's
all right)
When you put your loving arms around me (arms around me),
And you hold me tight (hold me tight) This is my invitation
I got the special vacation
I need your concentration
Just to feel your vibration At that soul shakedown party tonight!
We gonna have a soul shakedown party tonight! Uh!
Swing with me, baby!
(Soul shakedown party tonight)
