Run Joey Run

David Geddes

Daddy please don't
It wasn't his fault
He means so much to me
Daddy please don't
We're gonna get married
Just you wait and seeEvery night, the same old dream
I hate to close my eyes
I can't erase the memory
The sound of Julie's crySHe called me up, late that night
She said, "Joe, don't come over,
But Dad and I just had a fight
And he stormed out the door!I've never seen him act this way,
My God, he's goin' crazy
He said he's gonna make you pay
For what we done-- he's got a GUN!
So run, Joey run, Joey run!"Daddy please don't
It wasn't his fault
He means so much to me
Daddy please don't
We're gonna get married
Just you wait and seeGot in my car, and I drove like mad
'Til I reached Julie's place
She ran to me, with tear-filled eyes
And bruises on her face!All at once I saw him there,
Sneaking up behind me (Woman's voice: Watch out!)
Then Julie yelled, "He's got a gun!"
And she stepped in front of meSuddenly, a shot rang out
And I saw Julie falling!
I ran to her, I held her close
When I looked down, my hands were red
And here's the last words Julie said...Daddy please don't
It wasn't his fault
He means so much to me
Daddy please don't
We're gonna get married.....Run, Joey run, Joey run, Joey run, Joey ruuuuuunn!!!
