How Deep Is Your Man

RPA & The United Nations of Sound

Came to New York, it's all I need
Tell me the beat, so I can sleep
All night long, all night long, all night longWho is gonna cross the road for me
When I'm in trouble man? (I know)
I'm in trouble man (I know)
Who is gonna cross the road for me (who knows?)
When I'm in trouble man? (soul)
I'm in trouble manYeah I like the way you look, let's go all night
This is my baby, make everything alright
And I can't sleep
The city's too clear
I wanna keep my focus, see it again
I wanna get my balance,
Yeah feel alright,
Pick up at night
All day, all night, twenty four seven
I ain't ever gonna stop
When I get this feeling I just wanna rockWho is gonna cross the road for me
When I'm in trouble man? (I know)
I'm in trouble man (I know)
Who is gonna cross the road for me (who knows?)
When I'm in trouble man? (I know)
I'm in trouble man
