Tell Me

Antique

Come on and tell me
And tell me what you like
I wanna know
What's on your mindCome on and tell me
And tell me what you like
I need to know
What's on your mindCome on and tell me
And tell me what you like
I wanna know
What's on your mindCome on and tell me
And tell me what you like
I need to know
What's on your mindCome on and tell me
And tell me what you like
I wanna know
What's on your mindCome on and tell me
And tell me what you like
I need to know
What's on your mind
