A Place Called Home

PJ Harvey

One day I know
We'll find a place of hope
Just hold on to me
Just hold on to me
Walk tight, one line
You're wanted this time
There's no one to blame
Just hold on to me(Come on)
And I'm right on time
(My love)
And the birds keep singin'
And you're right on line
And the bells keep ringin'(Come on)
And the battle is won
(My love)
And the planes keep wingin'
And I'm right on time
One day there'll be a place for us
(And the girl keeps singin')I walk, I wade
Through full lands and lonely
I stumble
I stumble
With you I wait
To be born again
With love comes the day
Just hold on to me(Come on)
And I'm right on time
(My love)
And the birds keep singin'
And you're right on line
One day there'll be a place for us
(And the bells keep ringin')(Come on)
And the battle is won
(My love)
And the planes keep wingin'
And I'm right on time
One day there'll be a place for us
(And the girl keeps singin')Now is the time
To follow through

To read the signs
Now the message sent
Let's bring it to its final end(Come on)
And I'm right on time
(My love)
And the birds keep singin'
And you're right on line
One day there'll be a place for us
(And the bells keep ringin')(Come on)
And the battle is won
(My love)
And the planes keep wingin'
And I'm right on time
One day there'll be a place for us
(And the girl keeps singin')(Come on)
And I'm right on time
(My love)
And the birds keep singin'
And you're right on line
One day there'll be a place for us
(And the bells keep ringin')(Come on)
And the battle is won
(My love)
And the planes keep wingin'
And I'm right on time
One day there'll be a place for us
(And the girl keeps singin')(Come on)
One
(My love)
Day
I
(One day there'll be a place for us)
Know
(Come on)
There'll be
(My love)
A place
Called
(One day there'll be a place for us)
Home
