Menace

DJ Louis Slipperz

OH YEAH, FUCK IT! YEAH!
I've got a killer's blood
Running deep inside my veings (Down in my veins)
Don't expect you to understand
I was born without a name (Your name)
I see right through you
Your opinions are a fucking joke (*laughs*)
I'll crucify you on a silver spoon
I hope you choke!
I'm tired of trying to please the world
That spins around me.
This time I'm doing it for me
And me alone.
I don't need anyone
Don't think I ever did.
Not trying to be selfish
Just doing what I know...
I'm a MENACE! (RIGHT?!)
I'll stay the fuck away
Swear to god that I don't care (I swear to Christ)
I'll die a lonely death
'Cause I know that life's unfair (Ain't fair at all)
I can't pretend that I am someone that I'm not
I live for me, myself
You can't convince me
That I'm wrong!
I'm tired of trying to please the world

That spins around me.
This time I'm doing it for me
And me alone.
I don't need anyone
Don't think I ever did.
Not trying to be selfish
Just doing what I know...
I'm a MENACE! (RIGHT?!)
[Guitar Solo]I'm tired of trying to please the world
That spins around me.
This time I'm doing it for me

And me alone.
I don't need anyone
Don't think I ever did.
Not trying to be selfish
Just doing what I know...
I'm a MENACE!
I'm tired of trying to please the world
That spins around me.
This time I'm doing it for me
And me alone.
I don't need anyone
Don't think I ever did.
Not trying to be selfish
Just doing what I know...
I'm a MENACE!
FUCKING MENACE!
MENAAAAA-.
