

Circle the Drain

Katy Perry

This is the last time you say
After the last line you break
It's not even a holiday
Nothing to celebrate You give a hundred reasons why
And you say you're really gonna try
If I had a nickel for every time
I'd own the bank Thought that I was the exception
I could reroute your addiction
You could've been the greatest
But you'd rather get wasted [Chorus]
You fall asleep during foreplay
Cause the pills you take are more your forte
I'm not sticking around to watch you go down
Wanna be your lover, not your fucking mother
Can't be your savior; I don't have the power
I'm not gonna stay and watch you circle the drain
Watch you circle the drain
Watch you circle the drain You say you have to write your rhymes
Whatever helps you sleep at night
You've become what you despise
A stereotype You think you're so rock and roll
But you're really just a joke
Had the world in the palm of your hands
But you fucking choked Should've been my team mate
Could've changed your fate
You say that you love me
You won't remember in the morning [Chorus: x2] Watch you circle the drain
Watch you circle the drain You fall asleep during foreplay
Cause the pills you take are more your forte
I'm not sticking around to watch you go down
