Words

Doves

Inside a heart of summer soul
Don't let them take it away
'Cause inside something solid gold
So don't let throw it away
Words, they meant nothing
So, you can't hurt me
I said words they mean nothing
So, you can't stop me
I said your eyes, they say nothing
So, you can't hurt me
On summer days like these
I said words they mean nothing
So, you can't hurt me
Follow your own path from here
So, don't listen to what they say?
'Cause inside you have a heart of gold
So, don't let them take this away
She's wanna [Incomprehensible]
Words they meant nothing
So, you can't hurt me
On summer days like these
I said words they mean nothing

So, you can't stop me
I said your eyes, they say nothing
So, you can't fault me
I said words they mean nothing
So, you can't hurt me
Inside a heart of pure soul
A sun rising and falling away, like your soul
'Cause here comes something wonderful
So, don't let them throw it away
Words they meant nothing
So, you can't hurt me
On summer days like these
I said words they mean nothing
So, you can't stop me
On summer days like these
I said your eyes, they say nothing

So, you can't stop me
On summer days like these
I said words they mean nothing
So, you can't hurt me
