

Prey

10 Years

One at a time, one in the same
One is the time that remainsSnip back the weak before
They give away
I'm twisted in knots from
Hard work and strainWell, I've been waiting so long for this time
I'm terrified
Blind in ways, I've never realized
Well, I don't mindAll at a time, all in the same
Califormula, well, I've become preyStrolling down
In my face
These tears, I'm not crying
This will not kill meWell, I've been waiting so long for this time
I'm terrified
Blind in ways, I've never realized
Well, I don't mindTo do this right
We must realize
Everyone kneads equallyI've been waiting so long for this time
I'm terrified
Blind in ways, I've never realized
Well, I don't mind
