

Nothing Like You

Kenny Lattimore

Nothing like a woman
For me to hold and kiss
Making love to her mind and body
I didn't think I could fall like this
Where my mind would be captured
By the thought of just keeping her satisfied
And I know she's mine
Now I don't want nothing else Nothing like a man to love me
And I'm the woman of his dreams
And I know he just ain't talking, nah nah
He knows me intimately
All my ups and downs
And he knows just how to make me smile
And he knows he's mine
And I don't want nobody
I don't want nobody else Nothing like you
Nothing like you
Nobody can love me like you
I will be fine for as long as I try
Nobody like you Now some people say that love can be a strong hold
Now the way I feel, we've proved them all wrong
(And we've got something special that no one can compare) Nothing like you
Nothing like you
Nobody can love me like you
I will be fine for as long as I try
Nobody like you I love, I love that I am just talking baby
(Let me sing it baby)
(Closer we get, can't resist, no one knows me like this)
No one love me like
(Closer we get, can't resist, no one knows me like this)
Nobody like you
(Nobody like you)
