Detective 27

GZR & Geezer

His house he calls the batcave
He's sworn to secrecy
With comic books and videos
He lives his fantasy
Detective 27
Detective 27
In darkest depth of night
With full moon shining bright
He takes the mantle of the bat
Detective 27 at last
Detective 27
Detective 27
Shadow of the bat
Known his mind
And where it's at
A normal life will never be
For a lonely man inside a dream
Fighting for the cause of justice
Egendary in his mind
Protector of the innocent
He's waiting for his time
Detective 27
