

Epitaph for My Heart

The Magnetic Fields

"Caution, to prevent electric shock do not remove cover
No user-serviceable parts inside
Refer servicing to qualified service personnel"Let this be the epitaph for my heart
Cupid put too much poison in the dart
This is the epitaph for my heart
Because it's gone, gone goneAnd life goes on and on and on and death goes on
World without end
And you're not my friend
Who will mourn the passing of my heartWill its little droppings climb the pop chart
Who'll take its ashes and
singing, fling them from the top of the Brill Building
And life goes on and dawn, and dawn and death goes onWorld without end
And you're not my friend
