I have seen
Too many sad eyes look at me
The eyes that set me free
All the places that I've beenThank you for the letters
That you thought you wrote in vain
And for the times
You chose to stand out in the rain and wait for me, for meYour words
Your words help me to see
A little honesty
In a world that doesn't shareAnd your eyes
Tell the story of your pain
Severity of your disdain
In a world that doesn't careSo thank you for the letters
That you thought you wrote in vain
And for the times
You chose to stand out in the rain and waitYou
You understand my pain
From this I gather strength
In that we are the sameSo thank you for the letters
That you thought you wrote in vain
And for the times
You chose to stand out in the rain and waitThe life I live would never be the same
Without you here
You here, you here
Without you here
