

Sucker Punch

Pinn Panelle

Funny how pretending takes its toll
You wanted love when you really need control
I know you're scared to lose
The ones you always abuse
I think it's time for you to choose You can stand where you are folding your arms
While everyone sees that youre lying
And you can wait by the phone choose to be alone
Give up the fear youre denying
Cause you have nowhere to go Talk yourself up, and try to hide your face
Said you make a great friend, but you push all yours away
I know youre insecure
Ive seen that look before
Cant keep this going anymore
