

# Let Me See [Magnus Fiennes Mix]

## Morcheeba

Who can you trust when you need to?  
Why do we rust when we heed you?  
Crashing back down to earth I've found  
We can loveOh, let me see  
All of the places that I can be  
Oh, let me know  
All of the places where we can goDo you ever think in bubbles?  
Do you ever shake up troubles?  
Falling apart right from the start  
Crawling 'roundOh, let me see  
All of the places that I can be  
Oh, let me know  
All of the places where we can goShow us how to stand up, strong  
Waiting, for you takes so long  
Shadows leave us standing naked  
We can't fake itOh, let me see  
All of the places that I can be  
Oh, let me know  
All of the places where we can goOh, let me see  
All of the places that I can be  
Oh, let me know  
All of the places where we can go
