Mercury Tears

Chromeo

I don't want to be with anybody at all
I don't want to be seen with anybody at all
The world is much too big for me to handle alone
But I don't want no friends, I want to stay on my ownThe planet's turning but I can't stand still
The clock is ticking but I can't stop time
And all I want is to be by myself
Do you think that's a crime?I don't want to be with anybody at all
I don't want to be seen with anybody at all
The world is much too big for me to handle alone
But I don't want no friends, I want to stay on my ownThe planet's turning but I can't stand still
The clock is ticking but I can't stop time
And all I want is to be by myself
Do you think that's a crime?I don't want to be with anybody at all
I don't want to be seen with anybody at all
The world is much too big for me to handle alone
But I don't want no friends, I want to stay on my ownThe planet's turning but I can't stand still
The clock is ticking but I can't stop time
And all I want is to be by myself
Do you think that's a crime?The planet's turning but I can't stand still
The clock is ticking but I can't stop time
And all I want is to be by myself
Do you think that's a crime?I don't want to be with anybody at all
I don't want to be seen with anybody at all
The world is much too big for me to handle alone
But I don't want no friends, I want to stay on my ownThe planet's turning but I can't stand still
The clock is ticking but I can't stop time
And all I want is to be by myself
Do you think that's a crime?
Do you think that's a crime?
