

# Mercury Tears

## Chromeo

I don't want to be with anybody at all  
I don't want to be seen with anybody at all  
The world is much too big for me to handle alone  
But I don't want no friends, I want to stay on my own  
The planet's turning but I can't stand still  
The clock is ticking but I can't stop time  
And all I want is to be by myself  
Do you think that's a crime?  
I don't want to be with anybody at all  
I don't want to be seen with anybody at all  
The world is much too big for me to handle alone  
But I don't want no friends, I want to stay on my own  
The planet's turning but I can't stand still  
The clock is ticking but I can't stop time  
And all I want is to be by myself  
Do you think that's a crime?  
I don't want to be with anybody at all  
I don't want to be seen with anybody at all  
The world is much too big for me to handle alone  
But I don't want no friends, I want to stay on my own  
The planet's turning but I can't stand still  
The clock is ticking but I can't stop time  
And all I want is to be by myself  
Do you think that's a crime?  
The planet's turning but I can't stand still  
The clock is ticking but I can't stop time  
And all I want is to be by myself  
Do you think that's a crime?  
I don't want to be with anybody at all  
I don't want to be seen with anybody at all  
The world is much too big for me to handle alone  
But I don't want no friends, I want to stay on my own  
The planet's turning but I can't stand still  
The clock is ticking but I can't stop time  
And all I want is to be by myself  
Do you think that's a crime?  
Do you think that's a crime?
