

Memory

Various Artists

Midnight, not a sound
from the pavement
Has the moon lost her memory?
She is smiling alone.
In the lamplight,
the withered leaves collect

at my feet. And the wind moan. Memory all alone in the moonlight I can smile at the old days I was beautiful
then I remember the time I knew what happiness was Let the mem'ry live again Ev'ry street lamp seems to beat
A fatalistic warning Someone mutters and a street lamp gutters And soon it will be morning Daylight I must wait for
the sunrise I must think of a new life And I musn't give in When the dawn comes tonight will be a memory
too And a new day will begin Burnt out ends of smoky days The stale cold smell of morning The street lamp dies
another night is over Another day is dawning Touch me It's so easy to leave me All alone with the memory Of my
days in the sun If you touch me you'll understand what happiness is Look a new day has begun
