True Grit

The Crystal Method

One day, little girl The sadness will leave your face As soon as you've won Your fight to get justice doneSomeday little girl you'll wonder what life's about But other's have known Few battles are won aloneSo, you'll look around to find Someone who's kind Someone who is fearless like you The pain of it will ease a bit When you find a man with true gritOne day you will rise And you won't believe your eyes You'll wake up and see A world that is fine and free Though summer seems far away You will find the sun one dayThough summer seems far away But you will find the sun one day
