Long Road

Gun

When words they mean nothing
And everything you say is wrong
You tell me your happy
Turn around and I'll be gone
You think about leaving
Leaving when the going's good
You think about heaven
And everything it means to youAnd I gave you hope
And I showed you life
Now you search for love
In this world tonight
And you run
And you hide
There's a fire
In your eyesAnd I say life
Is like a long road
With open arms
We walk this long roadPrecious little angel
Promises are made
The door is lying open
Here I go againAnd I gave you hope
And I gave you love
Now the change has come
Are you strong enough
And you run
And you hide
There's a fire
In your eyes
And I say life (Angel)Is like a long road
With open arms (Angel)
We walk this long roadBring me shelter
Bring me truth
You can turn it all around
Break this silence
Break this pain
Help me turn it all around
Am I talking to myselfAnd I wait
Night and day
I've seen love

Turn to hate
Nothing's changed
Looking back
Is it so wrong to want what we can never haveI say life (Angel)
Is like a long road
To reach so high (Angel)
We bow down so lowPrecious little Angel
Promises are made
The door is lying open
Here I go again, again, againI say life (Angel)
And I say life (Angel)
And I say life (Angel)
Is like a long road
And I say life (Angel)
And I say life (Angel)
And I say life (Angel)
Is like a long road
