This Summer

Smiling Horse

On a beautiful morning
With my sweet Serina
She was giving me something
I should really need
She held me closer
And toke me with her
She told me
Baby you should married me

Thereâ€™s got to be sunlight.
There has to be water
No misty rain clouds for to day
And I will love you all around babe
Until this summer has come to an end

Thereâ€™s got to be sunlight.
There has to be water
No misty rain clouds for to day
I will love you all around babe
Until this summer has come to an end

Solo
Baby you should married me

On a beautiful morning
With my sweet Serina
She was giving me something
I should really need
And she held me closer
And toke me with her
She told me,
Baby you should married me

Thereâ€™s got to be sunlight
There has to be water
No misty rain clouds for to day
And I will love you all around babe
Until this summer has come to an end

My dark sweet angel

My sweet sweet lover
Just lying near me
And holding me tight.
You wane love me
You got to hold me
Until this summer has come to an end.

Thereâ€™s got to be sunlight.
There has to be water
No misty rain clouds for to day
And I will love you all around babe
Until this summer has come to an end.
