

# Whiskey River

[Willie Nelson](#)

Whiskey river, take my mind  
Don't let her memory torture me  
Whiskey river, don't run dry  
You're all I've got, take care of me Whiskey river, take my mind  
Don't let her memory torture me  
Whiskey river, don't run dry  
You're all I've got, take care of me Whiskey river, take my mind  
Don't let her memory torture me  
Whiskey river, don't run dry  
You're all I've got, take care, one more time Whiskey river, take my mind  
And don't let her memory torture me  
Whiskey river, don't run dry  
You're all I've got, take care of me
