

# Mary Lou

## Jerry Joseph

I'm gonna tell you a story

'Bout ol' Mary Lou

I mean the kind of a girl

That make a fool of you

Â

She make a young man old

And an old man pay

The way she took my money

Was a crying shame

Â

Mary Lou, Mary Lou

She took my watch and chain

Mary Lou, Mary Lou

She took my diamond ring

She took the keys to my Cadillac car

Jumped in my Caddy and she drove afar

Â

Put a detective

On her trail

The post office thought

They'd chase her by the mail

Â

She got picked up

And then was put in jail

Stroked the judge

Just to go her bail

Â

Mary Lou, Mary Lou

She took my watch and chain

Mary Lou, Mary Lou

She took my diamond ring

She took the keys to my Cadillac car

Jumped in my Caddy and she drove afar

Â

She left Detroit

To go to Kalamazoo

Made her a fortune

Out of fools like you

Â

Met her a rich man  
Who was married and had some kids  
    Stroked that cat  
    Until he flipped his lid  
        Â  
    Mary Lou, Mary Lou  
She took my watch and chain  
    Mary Lou, Mary Lou  
    She took my diamond ring  
She took the keys to my Cadillac car  
Jumped in my Caddy and she drove afar  
        Â  
She came back into town  
    About a week ago  
    Told me she's sorry  
    She had hurt me so  
        Â  
    I had a '65 Ford  
    And a two dollar bill  
    The way she took that  
    Lord, it gave me a thrill  
        Â  
    Mary Lou  
She took my watch and chain  
    Mary Lou, Mary Lou  
    She took my diamond ring  
She took the keys to my Cadillac car  
Jumped in my Caddy and she drove afar
