

Soul Sloshing (live)

Venus Hum

Indulging inaccuracy I'm picking apart my friend Lizzie

Throw another word on me and watch me hurl it back

I know you! (I swear I do)

you're just like me- you're sipping a cup of pity

Aw!

Did I forget to mention I'm the centre of attention

In my universe my pains my pension

I know you! (I swear I do)

you're just like me-you're sipping a cup of dreams

Yeah!

Soul sloshing-don't shush me

Just listen to me -pretty little kitty in the sky

The bass of my laughter-my gut is the speaker

Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha!

Sweet is my surprise!Self involved security, yet you are such a part of me

And somehow what we do seeps into me, seeps into you

It's subtle-it's creepy knees

It's condescension versus humility

I know you! (I swear I do)

You're just like me- You're sipping a cup of pity

Aw!

Did I forget to mention I'm the center of attention

In my universe my pain's my pension

I know you! (I swear I do)

You're just like me-You're sipping a cup of dreams

Yeah!

Soul sloshing-don't shush me

Just listen to me -pretty little kitty in the sky

The bass of my laughter-my gut is the speaker

Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha!

Sweet is my surprise!
