Fading Listening

Shiny Toy Guns

I can't stop them from leavin'
I can't stop them from believin'
And I can't stop you from leavin'
I can't stop you from believin'I know I have a way
Of fading when I'm listening
Don't you know I feel you
And I freak out
And I freak outI'd lie if you say so
Come and you go
And you go-go
Come and you go
And you go-go
Come and you goI'm all about the way
Of fading when I'm listening
Close enough to feel you
Don't slow down
Don't slow downI can't stop, wait
To believe it
Can't stop,wait
I can't stop, wait
To believe it
Can't stop, wait
I can't stop, wait
To believe it
Can't stop, wait
I can't stop, wait
To believe it
Can't stop
To believe it
