Fix Yourself Up

Dee Dee Ramone

I saw her at the clinic she was waiting the line
I knew I'd seen her somewhere else one time
Standing by the bahnhof in her underwear
A German girl from Hamburg or somewhere

Baby, baby, better fix yourself up
Baby, baby, better fix yourself up
It's like a bag of voodoo and a curse on you too
When you're born to lose, there's nothing you can do
Baby, baby, better fix yourself up

Her eyes were pinned like two pinwheels
She was trying to find someone to make a five bob deal
I got the rocks if you need some
And I got a hypo in case you need one

Baby, baby, better fix yourself up
Baby, baby, better fix yourself up
It's like a bag of voodoo and a curse on you too
When you're born to lose, there's nothing you can do
Baby, baby, better fix yourself up

If you wanna cop then what can I do
If you're the kind of girl that needs a quick change

Baby, baby, better fix yourself up
Baby, baby, better fix yourself up
It's like a bag of voodoo and a curse on you too
When you're born to lose, there's nothing you can do
Baby, baby, better fix yourself up
