

Get Mine, Get Yours

Christina Aguilera

Baby, you pretend that things
Ain't what they seem
All this tension tellin' me
Just exactly what we should be Now I don't mind us bein'
Some kinda casual thing
Listen all I want to do for now
Is have you come and take all of me Can you put your hands on my waistline?
Want your skin up against mine
Move my hips to the baseline
Let me get mine, you get yours Hang a "Please don't disturb" sign
Put my back into a slow grind
Sending chills up and down my spine
Let me get mine' you get yours If you see me with a man
Understand that you can't question me
The feeling's that you caught
Ain't my fault, can't help your jealousy If you can handle the fact
That what we have has get to be commitment free
Then we can keep this undercover lovin'
Comin' hidden underneath the sheets Can you put your hands on my waistline?
Want your skin up against mine
Move my hips to the baseline
Let me get mine, you get yours Hang a "Please don't disturb" sign
Put my back into a slow grind
Sending chills up and down my spine
Let me get mine, you get yours Come on and freak my body we can get nasty, naughty
All night a private party gotta hit that spot just right
Work me like a 9 to 5 It ain't about the kissin' and huggin' 'cause this is a physical lovin'
Straight sweatin', our bodies are rubbin' gotta hit that spot just right
Work me like a 9 to 5 We have a physical thing we make love, but don't fall in love
Let me get mine you get yours
We spend time just enough so you get yours and I get mine
No strings attached, I want your body not your heart Put your hands on my waistline
Want your skin up against mine
Move my hips to the baseline
Let me get mine, you get yours Hang a "Please don't disturb" sign
Put my back into a slow grind
Sending chills up and down my spine
Let me get mine, you get yours Put your hands on my waistline
Want your skin up against mine

Move my hips to the baseline
Let me get mine, you get yours Hang a "Please don't disturb" sign
Put my back into a slow grind
Sending chills up and down my spine
Let me get mine, you get yours Come here, don't be shy, I won't bite
Let me get mine, you get yours
