

# Soldier With a Broken Heart

Sarah Connor

[Verse 1:]

In the dark it's hard to find  
Single spark to ignite  
When one leaves can you start  
To believe the pain will pass and set you free[Bridge 1:]  
You held me captive  
Like a prisoner convinced that she's serving life  
No escaping to safety  
When the enemy keeps beating me from inside[Chorus:]

I'm just a soldier with a broken heart  
But I won't be defeated, no  
And no one ever doesn't like a war  
So I won't be retreating  
I'll keep marching with my armour down  
You can hurt me but I'll stand my ground  
I'm here fighting for my right to love  
Ooh, I'm just a soldier with a broken heart...[Verse 2:]  
Tell myself don't give up  
Will the pain make me stop  
I'll be brave in no man's land  
I'll keep walking, it's the risk but I might take the chance[Bridge 2:]

I'm haunted, my face is  
In torture by the feeling and I see you again  
It's not fair and it's not right  
When your enemy keeps beating you from inside[Chorus:]  
I'm just a soldier with a broken heart  
But I won't be defeated, no  
And no one ever doesn't like a war  
So I won't be retreating  
I'll keep marching with my armour down  
You can hurt me but I'll stand my ground  
I'm here fighting for my right to love  
Oh yeah, I'm just a soldier with a broken...No I won't, won't surrender  
What I feel, I can heal  
Oh even when my feet don't take me further  
What don't kill me makes me stronger  
Makes me stronger...I'm just a soldier with a broken heart, mhm  
I'm only fighting for my right to love  
A soldier with a broken, ooooooh...[Chorus:]

I'm just a soldier with a broken heart  
But I won't be defeated, no  
And no one ever doesn't like a war  
So I won't be retreating  
I'll keep marching with my armour down  
You can hurt me but I'll stand my ground  
I'm here trying to find my peace with you  
(I've been trying and trying)  
I'm just a soldier with a broken heart  
(I'm a soldier with a broken heart)  
Fighting for my right to love  
A soldier with a broken heart, heart  
Mhmmm, I'm a soldier with a broken heart
