

Up To The Limit

Accept

Too many things happened today
Too many words I don't want to say
I want to be cool but the heat's coming up
I'm ready to kill 'cause enough is enough All I can say out of my way
Before I get to the top
All I can feel is wild running blood
Please stop you better watch it It's getting up to the limit
Up to the limit
It's getting up to the limit
Up to the limit Do me a favor and leave me alone
The most I love you is when you're gone
Please, disappear and don't come back
I'm not the kind of guy you can check All I can say out of my way
Before I get to the top
All I can feel is wild running blood
Please stop you better watch it It's getting up to the limit
Up to the limit
It's getting up to the limit
Up to the limit To the limit up to the limit
To the limit up to the limit It's getting up to the limit
Up to the limit
It's getting up to the limit
Up to the limit Up to the limit It's getting up to the limit
Up to the limit
It's getting up to the limit
Up to the limit To the limit up to the limit
To the limit up to the limit
