# Aviator

## Kutcorners

[Brandi]
Im flya then a motha sucka
like an Aviator(2x)
You know you cant touch me
'Cause im somehwere in the clouds
I'll be lookin' up or
I'll be lookin down
Flya then a motha sucka
like an Aviator(2x)
[Price]Whatcha doin? Press pause
We might can share time
I got so much keys
That maybe we can share mine
Catch me up in the air
Im starein widda nice dime
Im in the clouds
so now they call me Price-Airlines
Now you can try and tell me
Who can hold these streets
Or name a badda rapper
Who can hold these beats
I keep rasisin the bar
while yo flow decrease
'Cause where i'm viewin from
is passed the nose bleed seats
[Brani]Im flya then a motha sucka
like an Aviator(2x)
You know you cant touch me
'Cause im somehwere in the clouds
I'll be lookin' up or
I'll be lookin down
Flya then a motha sucka
like an Aviator(2x)
[Oktane]Now lemme lemme lemme tell
Hello to all y'all
We flyin' ova here
And you look so small
Girl I'm so fly
I'm never gon' fall

I'm busy or booked

whenever these girls call
Yeah, all the girls
they tryna ride wit me
I gott the G-4 baby
You can glide wit me
I'm up in the clouds
So come and fly wit me
We can go high
Fill the sky wit me
Hit me 'cause I'm fly
[Brandi]Im flya then a motha sucka
like an Aviator(2x)
You know you cant touch me
'Cause im somehwere in the clouds
I'll be lookin' up or
I'll be lookin down
Flya then a motha sucka
like an Aviator(2x)
[Brandi]Baby I'm some kind of
Touchin my swagga
Gettin' high off the ground
yeah, you can check my wings
Phantom
High above the lane
and I dont plan on comin' back down
[Oktane]yeah, I got my jayz (con-daze)
So.. so fly (should prally have a cape for her)
And if you aint on
you'll prally say Okt
Three.. Two.. One
it's time for take off (take off)
[Brandi]Im flya then a motha sucka
like an Aviator(2x)
You know you cant touch me
'Cause im somehwere in the clouds
I'll be lookin' up or
I'll be lookin down
Flya then a motha sucka
like an Aviator(2x)
