Jason

Audio Karate

and its hard to say youre sorry
when theres nothin wrong and you dont wanna talk about this
something on your mind
you try and point the finger, but you wont let this linger
cant take this anymoreshock my systems with charisma
leaves you breaking in my waste
lost my faith, ive lost my faith,
ive lost my crucial time and placeits hard to say youre sorry when theres nothing wrong
and you dont wanna talk about this
you will understand that you will never need me,
so why dont you just leave me
and let me be the one to take the fallshock my system with chrisma
leaves you breaking in my waste
lost my faith, ive lost my faith,
ive lost my crucial time and place
