Darling I Need You

John Cale

Woke up early this morning
Something wrong inside my head
Took a look around for breakfast
First thing I see is you're not thereOh, where were you, where were you?
Where were you when I needed you?
Where were you, where were you
When I needed you to see me through?Oh, something wrong, now whats gone wrong here
Looked in the mirror, broken white
Lucky to be alive and kicking
Kicking a lot of life around hereBut where were you, where were you?
Where were you when I needed you?
Where were you, where were you
When I needed you to see me through?Ah, darling, darling, darling, I need you
Darling, darling, darling, I do
Darling, darling, darling, I need you
Yes, you know I doShefton brought me the message
Said you got out at Galveston
Church of Christ Jesus, Kentucky
Rattlesnakes and strychnine and prayerOh, where were you, where were you?
Where were you when I needed you?
Where were you, where were you
When I needed you to see me throughOh darling, darling, darling, I need you
Darling, darling, darling, I do
Darling, darling, darling, I need you
Yes, you know I do
