

# Someone

## Showoff

A certain someone must be out there, waiting for a guy like me.  
A certain girl who will be my best friend, and think about me constantly.  
I'm searching for someone, who will always be with me.  
I'm searching for someone, girl I think of you constantly.

Maybe it's you  
I hope it's you  
It's gotta be you.

A certain someone must be saying I will meet my love someday.  
It's the same girl that I still dream of, and I don't even know her name.

In my head I can see the shadows form before my eyes and  
In my head I can see love taking up a new disguise and  
In my head I can see myself alone without the truth and  
In my head I can also see my happiness in you- yeah.

Maybe it's you  
I hope it's you  
It's gotta be you.
